

# Have Camp Will Travel!

We bring extraordinary Camp Activities  
To your Children!

The activities that we teach, some common and some quite uncommon, help our young People in many ways. Not only are they having fun, they are being exposed to new things and getting much needed hands-on experience.

At the same time, they are building their confidence, learning about rules of safety, teamwork, trust, compassion, good sportsmanship and so much more!

Measurable outcomes are immeasurable in that moment when they get it!

We strive to inspire our students and give them bits of knowledge that will stay with them for the rest of their lives!

James Zoppe  
15568 Greenleaf Springs Road  
Frazier Park, California 93225
